profile

Highly creative and multitalented Graphic Designer with extensive experience in publication, branding, and logo design. Looking for a graphic design position at XYZ.

select projects

Mt. Hood Jazz Festival | Poster

Combined photography, typography, color and vector images to create a 12 x 18 full-color poster advertisement purposes.

W.R. Chilton | Book

Designed a layout for a book consisting of over 300 pages. Was responsible for all photo retouching, scanning of images & typesetting.

Foot Steps to Healing | Book

Design was selected as the winner out of 20 other designs. Was responsible for layout, color, typography, and file management. Worked closely with copywriter & photographer.

EarthBound | Brand & Identity

Solely responsible for creating a complete identity which consisted of business cards, logo, color scheme, letterhead, promotional pieces, advertisements, and website.

Mt. Hood Community College | Banner

Designed & printed a 96 x 42 full color banner which included over 50 scanned images. Was responsible for file management, photo retouching & typesetting.

work experience

MHCC Graphic Services | 2008 – Present

High paced environment with the constant need to problem solve, work as a team, and manage more than one job at a time. Responsible for pre-press, printing, troubleshooting, working with clients, taking & answering calls.

education

Mt. Hood Community College

Major: AAS Graphic Design
Fall 2010
